Medicare Part A Hospital Coverage

Medicare Part A hospital/skilled nursing facility care eligible expenses include charges for semiprivate room and board, general nursing and miscellaneous services and supplies.

Deductible – Plans C, D, F, G and N pay the \$1,132 inpatient hospital deductible (Plan M pays \$566 of the deductible) for each benefit period, which begins the first full day you're hospitalized and ends when you haven't been in a hospital or skilled nursing facility for 60 days in a row.

Coinsurance – All plans pay \$283 a day when you're hospitalized from the 61st through the 90th day. And, when you're in the hospital from the 91st day through the 150th day, you receive \$566 a day for each Lifetime Reserve day used.

Extended Hospital Coverage – When you're in the hospital longer than 150 days during a benefit period, and you've exhausted your 60 days of Medicare Lifetime Reserve, all plans pay the Medicare Part A eligible expenses for hospitalization, paid at the

rate Medicare would have paid, subject to a lifetime maximum benefit of an additional 365 days.

Benefit for Blood – All plans pay Medicare's one calendar-year deductible for blood that is the cost of the first three pints needed.

Skilled Nursing Facility Care Benefit

Coinsurance – Plans C, D, F, G, M and N pay up to \$141.50 a day from the 21st through the 100th day during which you receive skilled nursing care. You must enter a Medicare-certified skilled nursing facility within 30 days of being hospitalized for at least three days.

Hospice Care Benefit

Outpatient Prescription Drugs – All plans pay \$5 per prescription for outpatient prescription drugs for pain and symptom management.

Inpatient Respite Care – All plans pay 5% of the Medicare-approved amount for inpatient respite care (short-term care given by another caregiver, so the usual caregiver can rest).

Medicare Part B Medical Coverage

Medicare Part B eligible expenses include charges for physicians' services, hospital outpatient services and supplies, physical and speech therapy and ambulance service.

Deductible – Plans C and F pay the \$162 calendar-year deductible.

Coinsurance – After the Medicare Part B deductible, all plans pay generally 20% of eligible expenses. With Plan N, you pay up to a \$20 copayment for an office visit and up to a \$50 copayment for an emergency room visit. For hospital outpatient services, the copayment amount will be paid under a prospective payment system. If this system is not used, then generally 20% of eligible expenses will be paid.

Excess Benefits – Your bill for Medicare Part B services and supplies may exceed the Medicare eligible expense. When that occurs, Plans F and G pay 100% of the difference, up to the charge limitation established by Medicare.

Ohio health care providers are prohibited from balance billing Medicare beneficiaries so this benefit applies when you receive services outside of Ohio or services from Ohio providers that are allowed to balance bill.

Benefit for Blood – All plans pay Medicare's one calendar-year deductible for blood that is the cost of the first three pints needed.

Additional Benefit

Emergency Care Received Outside the U.S. – After you pay a \$250 calendar-year deductible, Plans C, D, F, G, M and N pay you 80% of eligible expenses for health

care you need because of a covered injury or illness beginning during the first 60 days of each trip up to a lifetime maximum of \$50,000.

Plan Overview

Your United of Omaha Medicare supplement insurance policy helps pay some eligible expenses not paid for by Medicare Part A and Medicare Part B.

There may be charges above what Medicare and United of Omaha pay.

Your Medicare supplement does not pay for:

- any expense incurred before your policy date
- hospital or skilled nursing facility confinement incurred during a Medicare Part A benefit period that begins while this policy is not in force
- expense paid for by Medicare

- services for non-Medicare eligible expenses
- services for which no charge is made when there is no insurance
- loss or expense that is payable under any other Medicare supplement insurance policy or certificate

Medicare eligible expenses means charges of the kinds covered by Medicare Parts A and B, to the extent Medicare recognizes them as reasonable and medically necessary.

Coinsurance is the portion of the eligible expense not paid by Medicare and paid by United of Omaha.

Features Give You More Peace of Mind

You're covered immediately. There is no waiting period for preexisting conditions and benefits will be paid from the time your policy is in force.

Your policy cannot be canceled. It will be renewed as long as the premiums are paid on time and the information is correct on your application.

Your Medicare supplement benefits will automatically increase as Medicare deductibles and coinsurance increase. Benefits are not paid for any expense paid by Medicare.

Benefits are paid to you, your hospital or doctor.

You have 31 days from your renewal date to pay your premium. Your policy will stay in force during this 31-day grace period.

You can't be singled out for a rate increase, no matter how many times you receive benefits. Your premium changes: (a) each year on the renewal date coinciding with or following the anniversary of your policy date until you reach age 90; and (b) when the same premium change is made on all in-force Medicare supplement policies of the same form issued to persons of your classification in the same geographic area of your state. Your policy's two-person household premium discount ends if the person you live with terminates his or her policy or moves to a different residence.
